

Certified Arborist Prep Course

The tree care profession has experienced rapid growth over the past decade and there is a significant amount of knowledge required to perform at the highest level. International Society of Arboriculture (ISA) credentials help consumers identify qualified, knowledgeable tree care professionals.¹

This course will help prepare professional arborists to take the ISA Certified Arborist examination. Nonprofessionals are invited to attend to gain a better understanding of the benefits of trees and develop their tree ID and tree care skills.

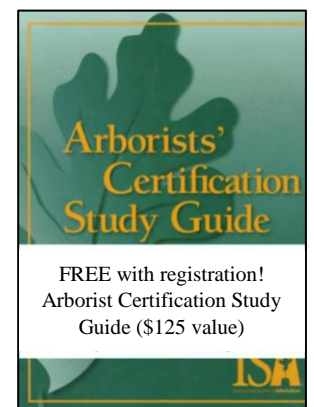

Topics include: Tree Biology, Identification, Water Management, Tree Nutrition, Tree Selection and Pruning, Plant Health Care, Tree Assessment, Trees and Construction, Urban Forestry, Tree Worker Safety and Climbing, & more!

Benefits of this course:

- **16 hours of focused training from experts**
 - Divided into four sessions
 - Fridays from 8:30 am to 1 pm
 - Location: Texas A&M AgriLife Ext. Office (301 Manny Martinez Sr. Drive, 79905)
 - Sept. 1, Sept. 8, Sept. 15, and Sept. 22
- **Cost includes a full study guide which will prepare you for the ISA Certified Arborist exam**
- **ISA continuing education credits available**

To register:

- **Visit the West Texas Urban Forestry Council at www.wtufc.org (registration deadline - Aug. 1)**
 - Cost: \$250 per person (limited to 25 attendees)
 - Click "Donate" to process payment via PayPal
 - Call 832-260-5866 if you have any questions!
