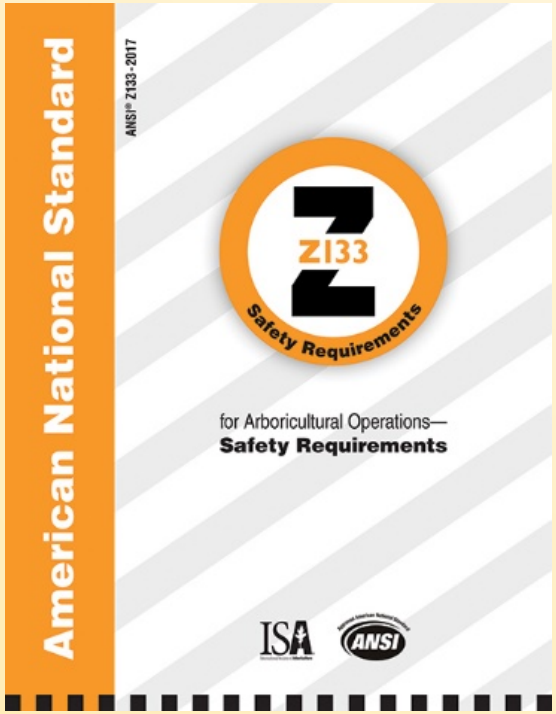
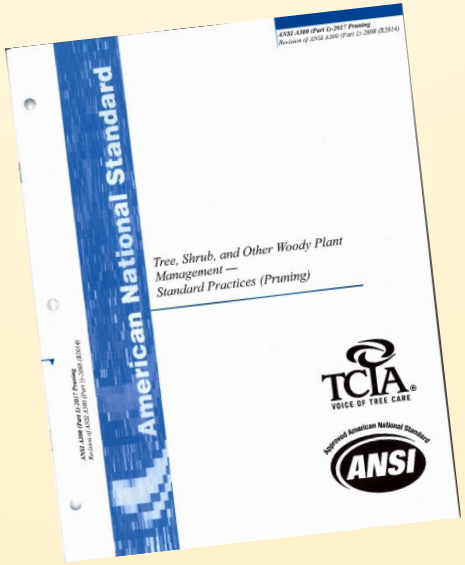
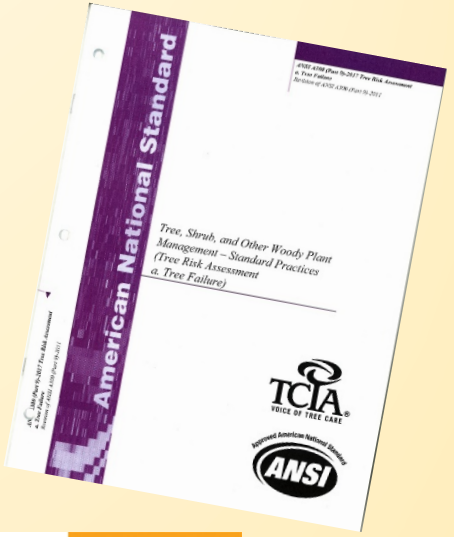
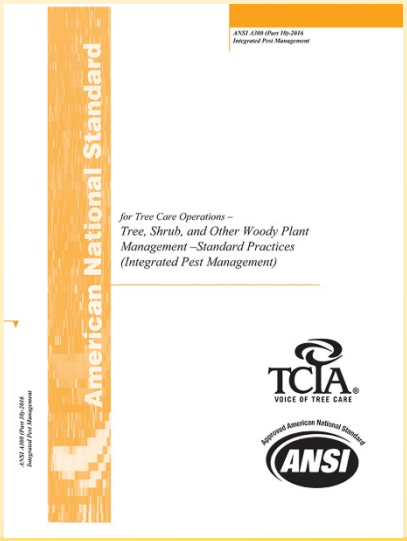
ANSI Z133 & A300 Standards









Building your own safety program

- We are here to help….to share a little of what we know and do.
  - Robert Mongiello - ISA Certified Arborist with Trees Inc.
  - Clay Garner - ISA arborist, business owner, Desert Gardens
  - Lt. Chris Carlsen, AFD Technical Rescue
  - David Lee – TCIA, National Outreach and Retention Manager
  - I am Bryan Suhr, ISA Board Certified Master Arborist and

  TCIA Certified Tree Care Safety Professional (CTSP)
- How can we help you???

Why safety??

- Responsibility
  - Legal and moral
- Profitable
  - Lost time
  - Morale
  - Expensive

Legal

- NM OSHA, think of NM OSHA as a cooperative partner in safety…they can help you develop/refine a safety program and maintain a safe workplace.

Moral

- Commitment to our employees, co-workers and clients

Profitable

- Lost Time
- Morale
- Expensive

An example of an industry specific plan

Utility arboriculture has it's own specific training needs, documentation and guidelines

It All Starts with Training
